2021-21**

The Gaines and Transition Schools will provide a specialized curriculum designed to help students make attitudinal changes necessary for them to be successful both academically and socially. In order for this to occur, the student agrees to:

1. Address/treat all staff members and peers respectfully.
2. Attend regularly.
3. Follow the dress code.
4. Bring necessary school supplies every day (*Transition only*).
5. Complete all class work and homework assignments on time.
6. Deliver school notices, newsletters, homework to parents/guardians as directed by the teacher/school.
7. Follow the school rules and procedures:
 - a. In designated eating areas
 - b. In the classroom
 - c. During school functions
 - d. In the hallways, when entering/leaving the classroom/campus
 - e. On school-provided transportation.
8. Remain in classroom/on campus (not leaving without permission).
9. Remain free of drugs/alcohol/other contraband (not possessing or distributing).
10. Resolve my differences with peers peacefully (no fighting or otherwise using verbal/physical aggression against anyone at any time).

I fully understand that I am responsible for my actions. Additionally, I understand that I may not return to any other school in St. Johns County until I have completed this program.
